

ESOL classes are available for adult non-native speakers of English. Five levels of classes in reading, writing, speaking, and listening are held daily Monday through Friday or twice a week in the evening. New students must come to one of the interview times; students will enter the program based on class availability. If classes are full, students will be placed on a waiting list and contacted when openings occur. A **valid, current government-issued picture ID** and proof of residency are required at the interview.

The Adult Learning Center does not provide childcare or transportation.
